

Fuel Card

Effective fuel management

Avis Fleet, in partnership with FNB and Standard Bank deliver convenience and value to our fleet-owning customers with the Avis Fleet Fuel Card.

With an Avis Fleet Fuel Card, you can:

- 1** Pay for on-road fuel purchases and oil top-ups
- 2** Pay tolls
- 3** E-tags can be provided with a fuel card

Now you can enjoy discounted rates by leveraging our oil company partnerships. With consolidated billing through a single trusted supplier, it also means fewer administrative hassles for you to deal with. Our admin team is your one point of contact and is here to help you with daily fuel card queries and the ordering and cancelling of fuel cards.

What's in it for you?

- 1** The standard features of bank fleet cards, namely:
 - Payment of on-road fuel purchases and top-up oil
 - Payment of tolls
 - Online verification of fuel card parameters such as card status, tank capacity and number of fills per day, which all limit the risk of fraud
- 2** Consolidated billing
- 3** Preferential card fees and interest rates
- 4** Relief of administrative burden.
- 5** Facilitation of disputes logged for Open Road Tolling via Fleet Interactive.
- 6** Avis Fleet has negotiated favorable diesel rebates for our customers through various Oil Companies
- 7** Transaction reports
 - Monthly Consolidated Report
 - Detailed Cost Savings report
